Thank you for your interest in the North Texas Golf Course Superintendent's Association. Our association is a Texas nonprofit corporation designed to further the profession of the golf course superintendent. We hold approximately 10 meetings a year, which provide education, discussion and fellowship opportunities for our members. We also publish a newsletter 10 times a year, which includes informative articles on golf course maintenance, turfgrass industry updates and job openings. For more information, please visit our association's website: ntgcsa.org.

Enclosed, you will find an application for membership. Dues for 2010 are \$85.00 (\$42.50 for student members) and are good through March 31, 2011. Upon return, your application will be presented for approval to the North Texas Board of Directors at the monthly board meeting. We will notify you by mail on your acceptance.

If you are a new member or a previous member whose membership has lapsed, you must be sponsored by two class "A" members (a superintendent with 3 years experience and in good standing with the North Texas GCSA). In addition, as of July 1, 1997 all Class A (superintendents with 3 years experience) or Class SM (Superintendents with less than 3 years experience) must also be a member or have applied for membership with the GCSAA. If you need more information on GCSAA or require an application, please let me know.

If you have any questions, please give me a call at (817) 377-4552 or (800) 277-6449.

Sincerely,

Brian Cloud
North Texas GCSA
Chapter Executive
